

# WE NEED YOUR HELP TO BE “A VOICE OF HOPE FOR SIERRA LEONE”

## **Teneba's Haven would like to invite you to make a difference in a part of the world that has been hit hard by civil war, disease, and poverty.**

We are currently seeking financial donations to assist in the transportation costs of a shipping container to be shipped in October, 2015. This container will provide school supplies, medical supplies, clothes and many other miscellaneous items needed by the poor in Sierra Leone. In addition to these, we are also excited to be shipping a GMC utility vehicle to be used for transportation of medical and construction supplies to a clinic being constructed in the area.

If you or someone you know would like to help, donations can be sent to:

Christ Our Redeemer Church  
304 Druid Hills Road  
Temple Terrace, Florida 33617

Checks can be made out to: “Christ Our Redeemer Lutheran Church”  
Please specify in the “memo” section: For Teneba's Haven.
